Camp Westmoreland

Basic Adult Leader Outdoor Orientation

BALOO equips Cub Scout leaders with the knowledge and skills that they need to plan and lead pack camping trips. BALOO also gives you resources for locations, activities, games and ceremonies; information on selecting and using camping equipment; how to run a campfire program; and hands-on cooking! In short, everything you need to know to make your pack outdoor events fun, safe, and successful!

Who needs BALOO?

At least one adult on a pack overnigher must have completed Basic Adult Leader Outdoor Orientation to properly understand the importance of program intent, youth protection guidelines, health and safety, site selection, age-appropriate activities, and sufficient adult participation. All adult Cub Scouters can use the information and skills they'll gain from BALOO.
